	VAT & REAL ESTATE: NEW DEVELOPMENTS AND ONGOING ISSUES
	This session will provide a review of recent case law concerning VAT and property. It will also explore topics of ongoing difficulty in this area including barter transactions and the interaction with other taxes, including SDLT.
	Michael Thomas KC & Calypso Blaj
	UK CUSTOMS LAW IN A POST-BREXIT & TRUMP 2.0 WORLD
	This session will first provide an outline of the post-Brexit UK customs law regime before focusing on the recent USA tariffs, the customs law principles relevant to them and potential strategies arising, or rising again, for dealing with them. It will finish with a brief

summary of recent cases of interest and other developments.

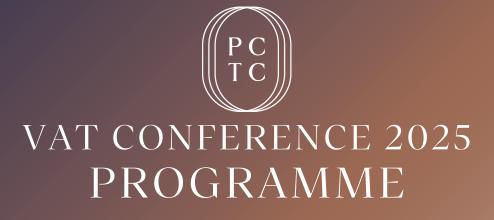

Sadiya Choudhury KC & Jeremy White

EU LAW - WHY IS IT STILL RELEVANT FOR VAT?

Do I still need to consider the VAT Directive? Is EU Court of Justice case law binding on the Tax Tribunal and higher courts? Do fiscal neutrality and other EU principles still apply? What does the Retained EU Law Revocation & Reform Act 2023 mean for VAT? Do principles of conforming construction still apply? This talk will provide an overview of the continued relevance of EU law to UK VAT.

Jeremy Woolf & Ben Elliott

12:30 - 13:30 **LUNCH**

AFTERNOON

The role of a contractual analysis Identifying the typical consumer The key concepts of indivisibility and indispensability Where else to turn? Andrew Hitchmough KC & Barbara Belgrano CLASSIFICATION: HOW HMRC THINKS IT WORKS AND HOW IT ACTUALLY WORK We will talk about the cases say, but then at both how HMRC seem to approach it and what the courts actually do, which often looks very different. We will look at how applying the correct test can help taxpayers prevail in disputes. Michael Thomas KC, Laura Poots KC & Thomas Chacko CLOSING AND Q&A Kevin Prosser KC & Andrew Hitchmough KC
